COMPANY OVERVIEW

We are a Consulting Firm specializing in Strategic Initiatives that focus on the Acquisition Processes for Public and Private Corporations. We provide a Professional Project Management approach to Purchasing, Contracts and Capital Project Management.

Leveraging our sound knowledge base, diverse background, professional expertise and skills, we apply committed focus to planning and managing a process that impacts service delivery, achieves long-term efficiencies and delivers on stakeholder expectations.

PROJECT MANAGEMENT PORTFOLIO

Highlights of our current practice and service offerings:

- Furniture & Equipment Planning (F&E) — a collaborative engagement of end users, architects, interior designers, support services and F&E manufacturers
- F&E Acquisition and Logistical Planning and Implementation — deliveries and expediting schedules, staging, inspection and testing plans, and integration into space to ensure project timelines are adhered to, and support a trouble free occupancy — Post occupancy deficiencies management and project debriefing activities
- Space Planning, Moves and Relocations Coordination for office renovations and new office facilities — manage plans and budgets, perform needs assessments, and coordinate requirements with architects, interior designers, furniture manufacturers, movers, and support services — Post occupancy deficiencies management and debriefing activities

OUR COMMITMENT

We are committed to engaging your organization and identified Initiative Stakeholders in a Process that (is):

- Accountable, Open and Transparent
- Collaborative & Engaging
- Unconditionally Customer Focused
- Performance Based & Measurable
- Lawful and engages fair competition
- Ethical, Professional and models Integrity
- Explores unconventional & innovative solutions
- Creative and Challenges the Status Quo
- Incorporates Best Practice Initiatives
- Exhausts Strategic & Corporate Leveraging Opportunities

Through Project Management and Skilled, Strategic, Professional Expertise, deliver service that is exceptional and unconditional.

Our attitude demands that we impart a distinct impression making a positive impact in the experience of those we serve.

Building Solid Relationships That Serve Tomorrow!

PROJECTS & INDUSTRY EXPERIENCE

Hospitals — Public Industry

CORPORATE MULTI-SITE

New Wing & Existing Renovations

Manage Furniture & Equipment (F&E) Budget Planning activities for submission to MOHLTC, and collaborative engagement of Project Resources, Consultants and Stakeholders to ensure F&E supports functional efficiencies, budget integrity, and minimization of contractor change orders associated with equipment specifications:

- Med Surg IPU
- Rehab IPU and Ortho Rehab
- Cardiac—CCU, CSICU & IPU
- Mental Health
- O.R., Rad Rooms & Cardiac Cath Suite

New Spine Institute

All project activities as noted above, as well as, activities to populate space and support a trouble free occupancy, on-time and on budget. Develop Logistical Integration Plan for F&E and manage with support services required to receive, stage, inspect, test & approve, put in place and make functional for go-live date.

Other “Program Expansion” Initiatives:

F&E Project Management Scope:

- Special Medical Clinics
- Cancer Detection & Treatment
- Ambulatory Surgical Centre
- Urgent Care Centre
- CPS

Office Relocation Initiatives:

Project Lead for 2-Phase relocation:

- Hospital Administration (32 staff)
- “THINK” Program (43 staff)

Coordinate new space design with interior designers & furniture manufacturers, develop “moves plan”, conduct planning meetings with internal & external supports, manage new site development with general contractor & sub-trades, supervise relocation with movers, installers, coordinate activities with Landlords (vacated and new space), arrange welcoming and “soft touch” activities to meet staff preferences.
